Balthaore, May 8. Balthaore to-day presents more activity than for some time ont. There is a great deal more decoration than was expected and the streets are filled with people. Uniformelt men are plenty and everywhere they lare greeted with a condial welcome. Many are here who bear sears of the condities through which they passed more than twenty years ago, and none are more glad to meet them than those who meet them in battle. Today, st. Wilson Prist Heil, City Hall. Duchane Post Hall and the Carrofton and Eurah Houses, the several associations

Croup — A Mother's Tribute.

"While in the country last whiter my little by, three years old, was taken fill with crosp, if secured as if he would dielirum strangulation. One of the faintly suggested the use of Avenie Cukinty Perronat, a bottle of which was always kept in the house. This was tributed in an all and frequent deces, and to star delight in less than half an hour the little patient was breathing pastily. The doctor said that the finence Protonat had saved my darling!" life Can gdu wonder at our gratitude? Succeedy come, 150 West 128th St. Now York, May 18, 1821.

15 have used A kettle Christian Protonat. "I have used Aakt" Cirrity Propagation by Javes and the my family for several years, and do not holisted to production of this post effectual remedy for coughs and cold we have ever cred.
